It is up to you to implement the processes and procedures to manage your business, track cost, estimate based on history, manage profit, get paid on time and stay out of conflict that creates losses. Retain employees, value employees, raise morale and productivity. Gain work when not the low bid because of your value. You create a positive environment that changes an industry and changes lives and you will be a Subcontractor of Excellence
Thank you for your interest in Empowering Subcontractors.
